Erin –

There are so many air issues in Texas, that we should make sure we have the right people. I would add Scott Mathias and Megan BrachtI from OAQPS. And if you also want to discuss regional haze, you should add Matt Marks (OGC) and Michael Ling (OAQPS) as well.

**Subject:** Texas Air Hour

Hi all,

What's your availability next week for an hour call to discuss Texas air issues? I believe we need to work with Bill's schedule as well.

Thanks,
